The October term of the DuBois court came to a close Monday after Blythe Lamb was sentenced to the penitentiary for life.

The reported death of John Hochgesang at Louisville last week proved to be a false report. We told the story as it was told to us, and there was nothing to it.

Only a Cold

Are you ill? is often answered. "Onlly a cold," as if a cold were a matter of small consequence, but people are beginning to learn that a common cold is not a matter to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of your cold the less the danger, and this remedy will help you to throw it off.

Born to Auditor Frank Seng and wife Thursday morning Oct. 30, a sweet little girl. Mother and baby are doing well, and while Frank says the order was for a boy it must have been misinterpreted, anyhow he is satisfied, as most girls are better than boys anyway.

A Cheerful Recommendation

"They should be in every traveling man's grip," writes Geo. Jenner, 416 Labor St., San Antonio, Tex., of Foley's Cathartic Tablets. "They are the best laxative I have ever taken and I cheerfully recommend them to anyone suffering with constipation or biliousness." They also taste good, sweet-smelling.

Constipation

Most laxatives and cathartics afford only temporary relief and should be used only for that purpose. When you want permanent relief take Chamberlain's Tablets and be careful to observe the directions with each package. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

Clementina, the 8 year old daughter of Henry Klingel, who lives about three miles north of Jasper, died at Louisville last Sunday as the result of an operation for appendicitis. The remains were brought to Jasper Monday and the funeral held at St. Joseph's church Tuesday.

This Woman Found Relief

Men and women suffering from kidney and bladder trouble will be glad to read how one woman found relief. Mrs. G. Hyde, Homestead, Mich., writes: "I had that terrible backache and tired out, feeling scarcely able to do my work. Foley Kidney Pills made me feel like a new person." Jos. A. Mehringer.

A Good Cough Medicine For Children

Mrs. J. W. Phillips, Redon, Ga., phoned to J. M. Floyd, the merchant there, for a bottle of Chamberlain's Cough Remedy and said she had bought a bottle of it at his store recently and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for colds in children or for yourself. It keeps the cough loose, expectoration easy and soon frees the system from the cold.

Of these latter was a St. Louis woman who thought she had smelled gas and lighted a match. She was right. She had.

Ten thousand healthy children now in workhouses in England are to be scattered in homes there or in Canada. There may never be another Oliver Twist, but then there will never be another Charles Dickens, so no great harm is done to literature.

It is to be hoped that as a potter Mr. Frederick William Hohenlohe will make a more conspicuous success than he did as a military commander, or the inventors in his clay enterprise will soon qualify for entry in the bankruptcy class.

Hold the Flag Sacred.

The rills of resolution that recently have inspired earnest and impressive but locally scattered manifestations of disapproval for demonstrations of disloyalty or erroneous concepts of civic obligation are gathered into one mighty stream. The symbolism of the flag, of which the display prove the correctness by their acts of demonstration, was never more clear and luminous than on this fourteenth day of June in this tremendous year of history, 1919.
